

Loss of Control, Flight After Inactivity and the Startle Response.

How do you safely get yourself ready to fly after a period of inactivity? How do you stop from making mistakes when you meet the unexpected? These and other questions will be answered by Mr. Lou Tobin with more that 50 years of flight instruction.

Directions: Call ahead to Lou Tobin for precise directions. The seminar will be in the airport terminal building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
